As I sit down to write this I know that many of you are without power as we had that horrendous storm on Monday July 27th and that awful wind on July 28th. We see much chaos as many trees are broken, limb all over, some broken windows, and some things that were not secured are totally lost forever. Now it is calm again and the cleanup begins so that we can get all back to normal.

I am reminded of the creation story and how God created order out of chaos or how Jesus calmed the angry chaotic sea. As we began the cleanup and restoring things back to order it would be a good time to Thank God for

calming our fears and all he has given us and continues to give us. God set us on this earth to care for it and it is out of this chaos that we have a chance to make it better.

Genesis 1:26-28

The Message (MSG)

26-28 God spoke: "Let us make human beings in our image, make them reflecting our nature So they can be responsible for the fish in the sea, the birds in the air, the cattle, And, yes, Earth itself, and every animal that moves on the face of Earth." God created human beings; he created them godlike, Reflecting God's nature. He created them male and female. God blessed them: "Prosper! Reproduce! Fill Earth! Take charge! Be responsible for fish in the sea and birds in the air, for every living thing that moves on the face of Earth."

God Bless,
Pastor Ruth

August ?

This month was originally named *Sextilis* in Latin, because it was the sixth month in the original ten-month Roman calendar under Romulus in 753 BC, when March was the first month of the year. About 700 BC it became the eighth month when January and February were added to the year before March by King Numa Pompilius, who also gave it 29 days. Julius Caesar added two days when he created the Julian calendar in 45 BC giving it its modern length of 31 days. In 8 BC it was renamed in honor of Augustus.

The August Flower is the [Gladiolus](#).
